1 Available Dimensions

Check corner, flat wall, or alcove and provide the appropriate amount of available wall space you have to work with.

		Height	Width	Depth
☐	Flat Wall			
☐	Corner Area			
☐	Alcove / Niche			

2 Electronics List

List each electronic item you would like to organize inside the furniture. For the items you already own please provide their dimensions. If you have not purchased the electronics yet provide a list of what you are planning to purchase. Because we are also authorized home theater dealers we can help you select any items you do not already own.

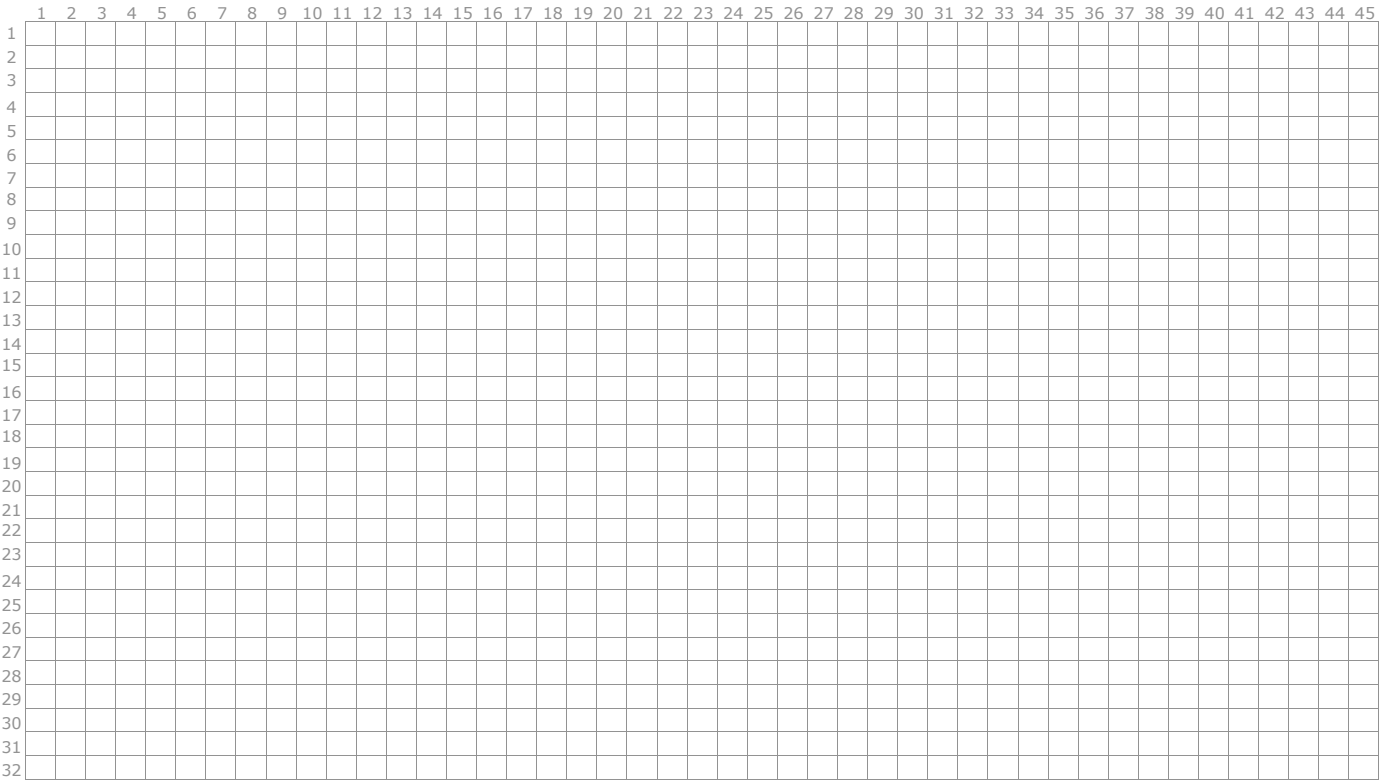
3 Basic Sketch


Create a basic sketch of the configuration you are interested in. We are not looking for anything other than a basic box diagram to give us a general idea of your plan. We will be happy to provide our design expertise to help improve your concept and ensure it is efficient and professional.
